

PORTABLE SCORING

JV PRO, INC.

(800) 962-2440, www.jvpro.com

JV Pro, Inc. offers Freestanding & Bleacher Model Scoring Tables. JV Pro tables have

built-in LED possession arrow and bonus indicator, heavy-duty soft rubber casters for easy movement, illuminated shatterproof lexan panels, and they fold down to 16 inches wide for easy storage. JV Pro is a quality cabinet manufacturer with an in-house art department. Heavy-duty Clarin chairs, with your logo/mascot in school colors, are available to match your scoring table.

POWER AD COMPANY, INC.

www.power-ad.com

Power Ad Company, Inc. created the original illuminated portable scoring unit more than 10

years ago and has manufactured and shipped thousands of units since. Seeing the trend shift to multiple advertisers, the

company added the Scroll Table to include up to 16 individual panels available on one unit. Each Scroll table comes equipped with an automated controller that enables you to select the number of message panels and time for each panel to be displayed. Scroll tables can be used as a stand-alone or can be connected directly to your existing Score-Rite tables.

If available space is an issue, consider Power Ad Company's new Media Table. This light-weight, non-

illuminated alternative is for in-bleacher applications only. It is built with

many of the same features as a standard Score-Rite table: all aluminum structure, high grade vinyl, wood-grain laminated top, six-outlet power strip, and a decorated metal front. As an addition to your original Score-Rite table or as a first-time buyer, the Media table is an affordable solution.

SIGNCO

(402) 474-6646, www.signco.com
SignCo offers the FL8 Floor Model

Sign/Scorer's Table. Made of all-steel construction with a durable powder-coated finish, the table can be fold-

ed down and set up by just one person. The table seats four officials and offers an image area of 36 by 96 inches. The FL8 may be retrofitted at a later date with an 18-message rotating sign. Full color graphics are available; padding is available in school colors.

Doane College, in Create, Neb., searched for an attractive, durable table to finish off the professional looking arena it designed. "We

had a large area to fill and the SignCo scoring table was just what we were looking for: attractive, sturdy, and affordable," said

Fran Schwenk, athletic director. Doane is a small college with a limited budget and the FL8 Scoring Table gives its gymnasium the look and feel of a university arena at a price it could afford.
